1. About Us

Mpumalanga International FoodMarket (MIF), is a new platform for connecting production, opportunity, and demand - creating a fresh start for farmers, traders, buyers, job seekers and the national food economy. It is not simply another place for work, but a modern workplace and hub for human connection.

2. Job Specification

Personnel (1x) to serve as Cleaning Supervisor (CS) to oversee cleaning operations across the market and associated facilities. The successful candidate will be responsible for supervising cleaning teams, ensuring compliance with hygiene and safety standards, managing cleaning schedules, monitoring stock levels, and maintaining a clean and professional environment throughout MIF facilities.

3. Core Responsibilities

- Team Supervision and Leadership: Monitor and maintain cold rooms, freezers, and temperature-controlled storage facilities within prescribed temperature and humidity ranges; Conduct routine inspections of refrigeration systems, door seals, and airflow to prevent temperature fluctuations and product spoilage.
- Quality Assurance and Compliance: Establish and implement cleaning standards, procedures, and workplace safety guidelines; Conduct regular inspections of cleaned areas to ensure compliance with hygiene and quality requirements.
- Training and Development: Train new employees on cleaning procedures, service standards, and health and safety requirements
- Reporting and Administration: Prepare and submit daily cleanliness and operational reports; Report facility defects and maintenance issues to management.
- Resource and Stock Management: Monitor stock levels of cleaning materials, detergents, consumables, and equipment; Re-order cleaning supplies as required and control usage to prevent wastage.
- Stakeholder and Client Engagement: Liaise with internal stakeholders and clients regarding cleaning services and operational requirements; Respond to complaints, queries, and feedback in a professional and timely manner; Build and maintain positive relationships with customers and stakeholders

4. Required Qualifications & Skills

- Experience: 2 to 5 years' experience in commercial, industrial, hospitality, food-processing, or facilities cleaning, including supervisory experience.
- Qualifications: Grade 12 (Matric) or equivalent qualification.
- Communication Skills: Strong verbal and written communication skills.
- Attention to Detail: Ability to work accurately when handling products, stock records, and equipment inspections.
- Problem Solving: Ability to resolve operational challenges and make sound decisions.
- Technical Skills: Sound understanding of cleaning methods, chemicals, equipment, hygiene standards, and occupational health and safety requirements.
