FOOD MARKET

Artisan Assistants (Electricity)

Reference: GAP-JOHA-31173641-20260909-5

Closing Date: 21 September 2026

1. About Us

Mpumalanga International FoodMarket (MIF), is a new platform for connecting production, opportunity, and demand—creating a fresh start for farmers, traders, buyers, job seekers, and the national food economy. It is not simply another place for work, but a modern workplace and hub for human connection.

2. Job Specification

To provide support to Electrical Artisans and the Maintenance Team by assisting with the installation, maintenance, repair, and inspection of electrical systems and equipment across the MIF facility. The role contributes to the safe, reliable, and efficient operation of electrical infrastructure while ensuring compliance with applicable safety regulations and maintenance standards.

3. Core Responsibilities

- **Electrical Maintenance Support:** Assist Electrical Artisans in carrying out planned, preventative, and corrective maintenance on electrical systems and equipment. Support the installation, repair, and replacement of electrical components, fittings, cables, lighting systems, and control equipment. Assist with fault finding and troubleshooting on electrical installations. Help ensure the continuous operation of electrical infrastructure and equipment.
- **Inspection and Monitoring:** Conduct routine inspections of electrical equipment and report defects or abnormalities. Assist with testing electrical systems and equipment to ensure operational efficiency. Monitor equipment performance and report potential maintenance issues.
- **Safety and Compliance:** Adhere to Occupational Health and Safety (OHS) policies, procedures, and safe work practices. Ensure the proper use of personal protective equipment (PPE) at all times. Maintain a safe and clean working environment. Report hazards, incidents, and unsafe conditions immediately.
- **General Maintenance Support:** Assist with maintenance records, job cards, and documentation. Handle and transport tools, materials, and equipment required for maintenance activities. Support emergency maintenance and breakdown response activities. Participate in maintenance shutdowns and special projects as required. Perform general housekeeping in workshops, electrical rooms, and work areas.

4. Required Qualifications & Skills,

- **Qualifications:** Grade 12 / Matric Certificate. N2-N3 Electrical Engineering Certificate or equivalent technical qualification. Electrical Trade Theory training will be advantageous. Valid driver's licence will be advantageous.
- **Experience:** Minimum 1-2 years' experience in an electrical maintenance, facilities, industrial, construction, or similar environment. Experience assisting qualified electricians or artisans will be an advantage. Exposure to electrical systems, tools, and maintenance procedures.

5. Job Application

MIF has partnered with the Department of Employment and Labour to facilitate and handle all job applications through the Department's Employment Services of South Africa (ESSA)
